14th Andover (Stockbridge) Cub Scouts Programme SPRING 2022

Please Remember - NO PARKING IN Grosvenor Car Park

Cubs, we need to ask you to help us, when we start to meet back outside. You need to help us remember, and keep reminding us, that although we are all together again, and that is really really exciting, we really do need to try and keep some distance from each other where possible. We know you are all really good at remembering things so you need to help us poor leaders who forget, because we are soooo old. You also need to keep reminding us that we all must keep either washing our hands or using hand sanitizer to help keep us all safe.

You also need to remember that if you or anyone in your house is not feeling very well (even if you don't think that it is Covid) that you wont be able to come to cubs that week. This is really important because we want to keep the cub pack running and everyone safe. We would miss you the week that you wouldn't be able to come, but we know that you understand the reasons why it would not a good idea for you to come, and you would be doing your best to look after us all.
